2026 BIT INTERNATIONAL SUMMER PROGRAMS

About BIT Zhuhai

Beijing Institute of Technology, Zhuhai, being as the Zhuhai Campus of BIT, is a crucial strategic component of Beijing Institute of Technology. Founded in 2001, it is a “Double First-Class” special development zone crafted by Beijing Institute of Technology in line with the educational standards of “high starting point, high level and prominent characteristics” in the Guangdong-Hong Kong-Macao Greater Bay Area with great vitality and international competitiveness. It covers an area of approximately 824 acres, adjacent to Guangzhou, Shenzhen, and directly linked to Hong Kong and Macao. BIT Zhuhai aims to serve as a bridgehead for BIT’s international cooperation and a base camp for its educational development in the Guangdong-Hong Kong-Macao Greater Bay Area.

Key Benefits

Diversity--Global Community, Local Charm

Immerse yourself in a highly international community right in the heart of the Greater Bay Area. Build a global network while experiencing the unique fusion of Chinese and Western cultures that defines Zhuhai.

Enhancement--Language & Professional Development

Gain a solid foundation in Mandarin Chinese for daily life, academic excellence and business cooperation. Featured workshops and exploration in top companies will enrich your communication skills and industrial experience.

Cultural Immersion--Lingnan Heritage Exploration

Go beyond the classroom and participate in field trips to iconic heritage sites, including Cantonese style architectures, lion dance and practice and the picturesque landscape of Zhuhai City will help engage deeply with the dynamic essence of Lingnan culture and distinctive coastal charm.
